The theme of this year's conference is "**making the most of your resources**" and this year's schedule gives us the chance to celebrate local success stories, showcase innovative services and hear about support available in the County. There will be inspiring speakers, practical skills, Invaluable Information, exhibitors, great networking and more!

Delegates will leave with a "**goody bag**" of items kindly donated by local businesses.

***Whether it's your first time,  
or you've been before,  
we look forward to welcoming you!***
